

**Palanca** is a Spanish word that means "lever." Just as a lever enables a person to move something which is beyond normal strength, palanca, as used at Antioch, empowers the accomplishment of things which would not be possible without the Grace of God.

**PERSONAL PALANCA:** This is palanca performed on behalf of individual candidates and team members. It is most frequently demonstrated in personal notes that are not meant for anyone but the recipient.

- **DO THIS:**
  - A brief note of encouragement
  - Reassurance that God will meet the candidate right where he or she is
  - Adding an encouraging scripture is recommended (reminding of God's promises, etc).
  - Let them know you are praying for them (and do it!).
  - Small items that can fit in an envelope can be included. Such as "pass it on" cards, small bookmarks, small pins, etc.
